

Greater Madison Area SHRM Strategic Plan

Strategic Initiatives and Goals Updated January 2018

Volunteer leaders of the Greater Madison Area Society of Human Resource Management meet every January to develop a strategic plan for the upcoming fiscal year. As current goals are accomplished, they will move from the Strategic Plan and placed under the Operations Calendar if appropriate. Each year, we will determine three major areas of focus. Each initiative will have tactical goals/tasks we wish to accomplish in each fiscal year. We will discuss our strategic initiatives on a regular basis as part of our Board meetings to ensure we are staying on track and make updates or changes to the plan.

Each goal has a Board Sponsor and also a Goal Champion. This is an individual who has a history with the goal or is passionate about its success. The idea is to use the passion of the Goal Champion to bring strength and commitment to the strategic initiative as well as their volunteerism into the chapter. The Board Sponsor is responsible for being the liaison between the champion and the BOD to ensure the goal is being accomplished.

**Key Goals are in orange. They may be 1 year goals or longer term goals.
They will be reviewed and updated at each strategic planning session.**
