

DAIS

DOMESTIC ABUSE INTERVENTION SERVICES

There are many ways you can help raise awareness about domestic violence:

- **Display a DAIS Poster:** Put a [DAIS poster](#) up in your office to increase awareness about domestic violence and the ways DAIS can help.
- **Host a Cell Phone Drive:** An easy way for your office to make a difference is to host a DAIS [cell phone drive](#). Simply publicize the drive, inviting co-workers to bring in old and unwanted cell phones and DAIS will pick up the phones when the drive is complete.
- **Host a Food Drive:** Hosting a food drive for DAIS is a great way to help support those who stay in our shelter. Contact [Liz](#) for more information.
- **Donate Some Much Needed Items:** Our shelter staff compiled a [wish list](#) of items the DAIS shelter is most in need of. To schedule a donation drop-off, please call Liz at 608-338-0077.
- **Host a [CAPE](#) (Community Awareness and Prevention Education) presentation.** We offer workshops, presentations and trainings tailored for specific groups, including community groups, schools, companies, faith-based groups, law enforcement, health care providers and more.
