

Diversity, Equity, and Inclusion Resources Page

GMA SHRM's mission is to offer members a variety of professional development opportunities and an environment in which to share ideas, experiences, and building lasting relationships.

There's no doubt 2020 has brought many challenges, some new such as the pandemic and some not so new, challenges that have been ongoing, but now has been given the attention many feel it deserves. The social unrest continues as stories like George Floyd and Jacob Blake impact our community and shine light to the importance of being human and kind.

GMA SHRM sent a survey out to all members in June 2020, and it is evident Diversity, Equity, and Inclusion has become an important topic in today's time more than ever. Nearly 70% of respondents felt that Diversity has "Very Important" among all other HR topics. We asked, "What information would you like to receive about the topic of Diversity, Equity and Inclusion?" Respondents ranked top: Educational information about D&I in the workplace (best practices, promoting D&I, how to develop/manage, etc.); second top ranked: Webinars/local events; third ranked: Resources/Tools; and articles, news updates and observances follows.

Our Diversity Committee asked and now want you to know, you've been heard! We created this DEI resource page to have ongoing content to provide you with learning materials, recommendations, resources, and tools.

All members may contribute to this page, we have many opportunities where you can share with our members. You may email Diversity Director, Mary Vesely at mary.vesely@fairwaymc.com if you have any contributions/recommendations or suggestions. After all, this is meant for all of you and we want to make the most out of this space!

Feel free to check out [Madison HR Chat](#) too – a space dedicated for our members as an open forum to ask questions and reply with recommendations and suggestions to other questions.

DIVERSITY INCLUSION EQUITY...

"AT THE PARTY"

DIVERSITY

invites you to the party...

INCLUSION

invites you to the dance...

EQUITY

redistributes space and resources so that the invited guests can also host their own parties

"IN THE ROOM"

DIVERSITY asks

"Who is in the room?"

INCLUSION asks

"Who has a seat at the table?"

EQUITY asks

"Who is trying to get in the room but can't? Whose presence in the room is under constant threat of being erased?"

"HAVING THE CONVERSATION"

DIVERSITY asks

"How many different voices are there?"

INCLUSION asks

"Has everyone's ideas been heard?"

EQUITY asks

"Whose ideas won't be taken as seriously because they are in the minority? What conditions maintain certain groups as the majority?"

THE DIFFERENCE

DIVERSITY

is the presence of a wide range of human qualities and attributes, both visible and invisible, within a group, organization, or society

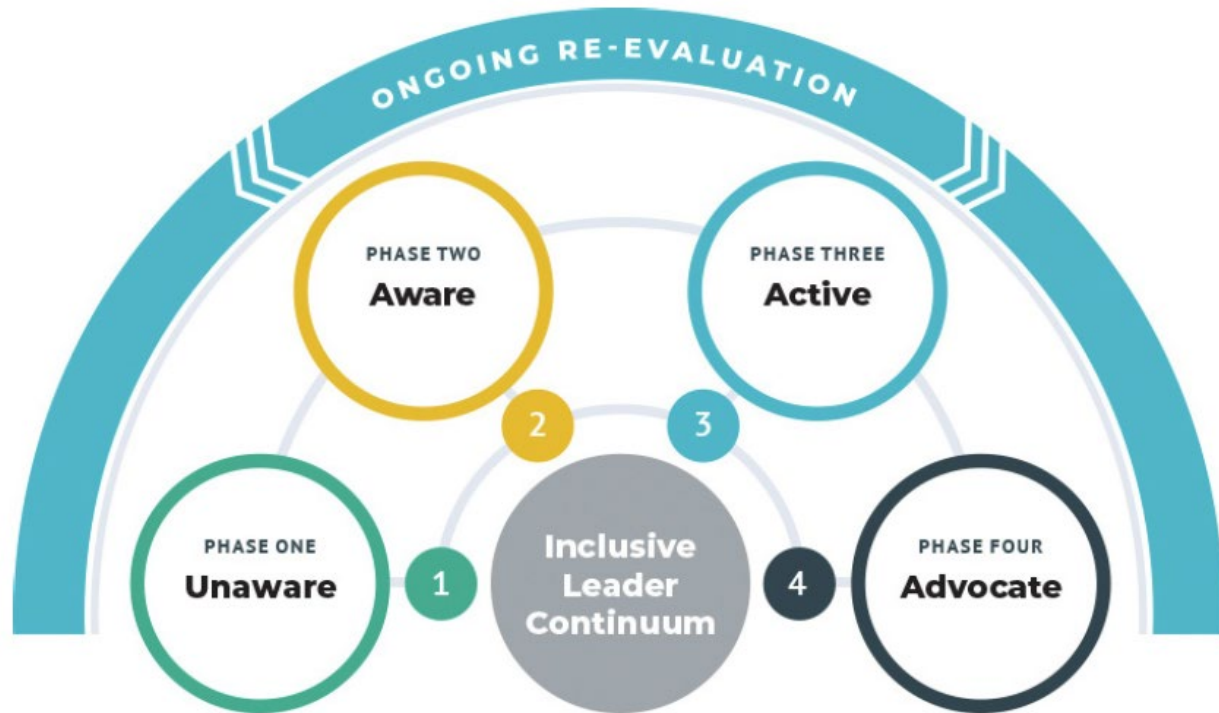

INCLUSION

is creating an environment where people have both the feeling and reality of belonging and are able to achieve their full potential.

EQUITY

is a condition of fair, inclusive, and respectful treatment that recognizes and acknowledges differing needs and expectations. Equity acknowledges the fact that equal treatment does not always yield equal results.

UNAWARE

You think diversity is compliance-related and simply tolerate it. It's someone else's job—not yours.

AWARE

You are aware that you have a role to play and are educating yourself about how best to move forward.

ACTIVE

You have shifted your priorities and are finding your voice as you begin to take meaningful action in support of others.

ADVOCATE

You are proactively and consistently confronting discrimination and working to bring about change in order to prevent it on a systemic level.
